

## Amendment: HE3

Representative **COBB-HUNTER** proposes the following amendment:

### General Provisions

New

**117.pmh.** (GP: Public Mobile Health Units Statewide Coordination Project) For the current fiscal year, the South Carolina Center for Rural and Primary Healthcare shall oversee public mobile health units in South Carolina which shall partner with South Carolina public institutions of higher education to coordinate statewide delivery of services to increase access to preventative and diagnostic health care, reduce health inequalities for rural, vulnerable, underserved, and displaced populations in South Carolina. The public mobile health units, in consultation with appropriate healthcare organizations, under the direction of the South Carolina Center for Rural and Primary Healthcare, shall collaborate with South Carolina public institutions of higher education, and relevant stakeholders identified by the Center to develop a coordinating system to provide organization and collaboration among those units and any units that may begin operating in the future. The University of South Carolina Salkehatchie and Denmark Technical College shall provide training and health education awareness to assist and support implementation strategies driven by local, regional, and state data and research and aligned efforts.
